MacKillop College Prayer

Creator God, today is your gift and your challenge.
Open our hearts to the needs of others;
Help us use today to make a difference to them and to our world.

Jesus, Word of God, model of what it is to be human.
May the words we speak bring understanding, peace and reconciliation.

Spirit of God, source of freedom and joy.
Shape our lives as you shaped the life of Mary MacKillop: Guide us to be, like her, your compassion and mercy.
