

MacKillop College

W e r r i b e e

Year 9 Integrated Studies Teacher

St Mary's Campus – a unique environment for all our Year 9 Students

MacKillop is a Catholic Coeducational Secondary College with two campuses inspired by the spirit of St Mary of the Cross MacKillop. Set on approximately 18 hectares of beautiful gardens and playing fields, MacKillop is an established College catering for over 1600 students from Year 7 through to Year 12 and enjoys an excellent reputation in the local community.

MacKillop is an innovative and contemporary learning community which has exceptional facilities, offers a vibrant curriculum and well-established wellbeing initiatives. Our community invites passionate engagement in lifelong and authentic learning. We respect diversity and are responsive to individual needs. Every member of our community is supported in the pursuit of excellence.

The St. Mary's Campus is an exciting and challenging program for all our Year 9 students. Based in Werribee South, the curriculum has been designed to have close links with the local community and issues pertinent to the area. Students are encouraged to become active, self-sufficient and engaged learners through experiential learning in a smaller environment.

Integrated studies explores connectedness with significant others, the community and its rich heritage, and our Earth and the environment. Integrated studies combines English, Religious Education, Humanities, Science, Technology and Arts, allowing scope to explore the interrelationships between traditional Learning Areas.

A significant feature of this unit is the Action Based Learning Tasks where students investigate an area of their own interest through negotiation with teachers and follow through with an action that serves. The integrated unit is complimented through Outdoor Education experiences.

Applications are invited from dynamic and contemporary teachers to teach in our innovative, integrated, Action Based Learning Program commencing Term 3 2017.

A commitment to creative teaching practices with a willingness and ability to incorporate eLearning in the classroom is essential.

The successful applicant will:

- have a demonstrated commitment to Catholic education and to the safety and wellbeing of children
- be registered with the Victorian Institute of Teaching or in the process of obtaining registration
- be appropriately qualified, demonstrate enthusiasm and ability to deliver appropriate curriculum to a range of educational abilities
- be able to provide care and support for students whilst supporting and respecting the ethos of the school and its environment.

Your application must contain:

- the prescribed Application for Employment Form
- Curriculum Vitae

These should be forwarded no later than **10am on Monday 13 November 2017** to:

The Principal
