Parent Portal Access Guide

1. Go to our website
www.mackillop.vic.edu.au

2. Go to College Portals

3. Place mouse over Parent Portal image (yellow) then click to enter the Portal.

4. Enter your five-digit username/email address and password (access codes on reverse page).

A screenshot of the 'Parent Portal Login' form. It has a title 'Parent Portal Login' and a subtitle 'Please login with your username and password. Email and password are case sensitive.' Below the subtitle are two input fields: one for the username/email address and one for the password. A teal 'Sign in' button is positioned below the password field. A red arrow points from the instruction to the first input field, another to the second, and a third to the 'Sign in' button.

5. Click Sign in button.

6. If you have forgotten your password, please click on Retrieve Password. This will send both your Username and Password to the email address registered with the school.
