At MacKillop Catholic Regional College Werribee, we may use *Google's G Suite for Education*, and we are seeking your permission to provide and manage a *G Suite for Education* account for your child. *G Suite for Education* is a set of education productivity tools from Google including Gmail, Calendar, Docs, Classroom and more used by tens of millions of students and teachers around the world. At MacKillop College, students may use their G Suite accounts to complete assignments, communicate with their teachers and learn 21st century digital citizenship skills.

The document for Google's G Suite for Education can be found on our website under **Information>Notebook Program** and provides answers to common questions about what Google can and can't do with your child's personal information, including:

- What personal information does Google collect?
- How does Google use this information?
- Will Google disclose my child's personal information?
- Does Google use student personal information for users in K-12 schools to target advertising?
- Can my child share information with others using the G Suite for Education account?

Please read the notice carefully, let us know of any questions and then sign below to indicate that you have read the notice and give your consent. If you do not provide your consent, we will not create a G Suite for Education account for your child.

Students who cannot use Google services may need to use other software to complete assignments or collaborate with peers.
